

IRISH WOLFHOUND ASSOCIATION OF THE WEST COAST, INC.
MEMBER CONSENT TO THE RECEIPT OF ASSOCIATION COMMUNICATIONS AND
VOTING BY ELECTRONIC MEANS

Almost all IWAWC members now consent to receive official IWAWC communications by email. In order to be in compliance with California Law IWAWC must have a hardcopy written consent from each member in IWAWC's file. If IWAWC does not have an unrevoked Consent in its file it will be required to communicate by US Mail, at significantly increased cost, and longer delivery time. The IWAWC Board has authorized distribution of this consent form to all members. Please respond **ONLY IF YOU HAVE NOT SENT A PREVIOUS CONSENT FORM. Our goal is to have a form for each member, giving consent, or withholding consent.** Two persons in a Household membership may sign on the same form.

By signing the Consent form you agree that IWAWC may communicate with you to the electronic address (email) you indicate below, and that any election may be conducted by electronic means (Example: Survey Monkey), using the same electronic contact you have given us (i.e. your email address). Your consent will remain valid for the duration of your membership and any renewals thereof. You may update your email address at any time. You may revoke your consent at any time by providing the IWAWC Secretary written notice stating that you revoke your consent.

To consent to electronic communication and voting please print your name and email address, sign your name and date the form. Return the signed and dated consent form to the IWAWC Secretary: Patricia Cobb, 2397 N. Altadena Dr., Altadena, CA 91001. You may also sign and date the form and scan it and email it to the Secretary at: patcobbivs@gmail.com. There are two signature lines. Use only one for individual members and two for households.

To CONSENT, sign here:

I have read the foregoing. I consent to receiving electronic communications from IWAWC and agree that elections may be conducted electronically. IWAWC should contact me only at the email set forth below.
