

Irish Wolfhound Association of the West Coast

We will be offering cardiology testing of wolfhounds at the IWAWC show on Friday **April 10th, 2026. In Silverado CA between 9am and 3pm.** We may be able to extend a little past 3 if we have many who are interested to have their dogs tested through this wonderful opportunity. We are hoping to reach not only show dogs but also non show wolfhound pets. **Testing is sponsored by the Irish Wolfhound Foundation (IWF) and coordinated through IWAWC. Veterinary Cardiologist Dr. Brett Boorstin will be doing the testing.**

Suggested donations to support the study in the amount of: \$250 for echo, EKG and auscultation and \$80 for EKG and auscultation on healthy dogs 6 and under and suggested for affected dogs, and those over 6: \$100 for Echo, EKG and auscultation, \$40 for dog EKG and auscultation ***IWF is a charitable organization (IWFfoundation.org) OFA certification will also be available.

Advanced registration is required. **Sign up online at IWFfoundation.org/screening-clinics or contact iwfhealth@gmail.com No guarantees for day of space availability.**
